

ATLAS MINERALS  
Cactus Rat Mine  
Sec. 33, T. 22 S., R. 22 E.  
San Juan County

Executive Summary

<u>Date</u>	<u>Description of Action</u>
* 01-11-78	Division received MR-Forms 1 & 2 from Atlas Minerals.
01-13-78	Division notified Robert Daugherty, the operator for Atlas Minerals, that no work could be performed until a field inspection had been made.
01-19-78	Division performed a field inspection of the proposed operation and discussed the possibility of issuing a DOE to cover the initial period, enabling work to begin without having to wait for the entire approval process as long as they remain within the two (2) acre limitation.
01-20-78	Division sent Atlas a letter with recommendations for reclamation of disturbed area.
01-30-78	Division received DOE form from Atlas Minerals along with a map outlining the area to be mined each year.
* 02-14-78	Division received letter from Atlas Minerals committing to reclamation recommendations.
